

## **Information to add to your June Newsletter.**

### **Communications**

The church website is currently being brought up-to-date. Our 50<sup>th</sup> Anniversary banner and the list of events have been posted; now we need photos of the activities that have taken place. If you have any photos you would like to share, please email them to me at [dgurd@primus.ca](mailto:dgurd@primus.ca). If you have any suggestions as to how the website could be improved, please pass along this information also. Have you paid a visit to our website recently? If not, do take a look!

In order to have your photo placed on the Church's website or in any printed form (Newsletter or Annual Report) you must provide written permission. New Freedom of Information Guidelines requires that this be done. If you have not already signed a form indicating your permission, please fill in a form and place it in the Communications Box or give it to Glory. If you do not wish to have your photo used in any way, please indicate that on the form. You will find these forms on the table outside the church office.

The committee has been examining various ways in which the stationary sign and the scrolling sign on the Parkwoods Village Drive side of the church should be used to the best advantage. There have been many suggestions and they are all being taken into consideration.

Some members of your Communications Committee have been involved, over the past months, with the 50<sup>th</sup> Anniversary Committee. We are known as the Publicity Committee. In this capacity we have installed two Anniversary Banners on the outside of the church and postcards, with a list of events taking place during this special year, have been mailed to current and past church members asking you to 'Save the date...'. And there is still more to come, which you will hear about, as we get closer to November!

The anniversary banner is also being used on our church stationery and on the front of the Sunday bulletins. We want everyone to know that we are celebrating 50 years ministering to the community.

*Carol Gurd, Communications Chair*
